Signed.....

Maidstone MFC's Bring-and-buy area is the perfect place to dispose of your unwanted models and equipment, and you never know, you may find a bargain too!

- Modelling items only please, so aircraft, boats, cars, kits, R/C gear, tools and all types of accessories.
- We are unable to accept card payment so 'cash only' please.
- We're ready to book in your items as soon as the show opens. Sold item funds can be collected after 3pm.
- Sale costs are £1 per item booked in and 10% of the sale proceeds.
- Unfortunately we don't hold items overnight so please remember to collect your unsold models at the end of the day on Saturday.
- It saves a lot of time if you print off and complete your booking-in forms prior to arrival.
- Please ensure that all items are in working order or clearly marked if that's not the case.
- Presentation is everything. Clean down dirty models and equipment, it makes all the difference.
- It's a good idea to make a large clear label or sign to go alongside your items, especially if they contain servos or ESCs or batteries that can't be easily seen by buyers.
